Aloha!

It gives me great pleasure to welcome all of you to the 2016 Shidler College of Business Scholarship Luncheon. This annual event celebrates the gift of education by recognizing our generous donors and their scholarship recipients.

This year, more than 250 students and donors have gathered over lunch to get to know one another. This special format allows donors to meet their scholarship recipient and learn first-hand the impact of their gift. It also allows students an opportunity to personally express their appreciation to their donors.

In keeping with tradition, today’s program will feature inspirational speeches from undergraduate student Nicole Oka, graduate student Christopher Elledge, and keynote speaker Martin Welch, chief executive officer of Hawaii Employers’ Mutual Insurance Company (HEMIC).

As always, the college is grateful to have the support of many companies, alumni, and friends who believe that investing in students is an investment in our community. Therefore, I would like to thank our title sponsor Enterprise Rent-A-Car for their continued support of this event over the past few years, and media sponsor Hawaii Business. I would also like to send a special mahalo to all of the donors who have established and funded scholarships to benefit our students.

Through their generosity, I am honored to announce that we are awarding 350 scholarships totaling over $1 million to our most deserving students for the 2016-2017 academic year.

Once again, thank you for your support and I hope you enjoy the luncheon.

Sincerely,

Vance Roley
Dean, First Hawaiian Bank Chair of Leadership and Management
Shidler College of Business
University of Hawai‘i at Mānoa

Aloha and congratulations to the 2016 Shidler College of Business scholarship recipients!

On behalf of Enterprise Rent-A-Car and our sister brands Alamo Rent-A-Car & National Car Rental (along with our 1100+ employees throughout Hawai‘i), we are truly honored for the third consecutive year to be the title sponsor for the Shidler Scholarship luncheon.

Enterprise Rent-A-Car has proudly been serving Hawai‘i for over 20 years with 50+ locations on all islands including an Enterprise location on campus at the University of Hawai‘i at Mānoa.

Enterprise has participated in this scholarship event each year since its inception in 2005 and we are thrilled to be able to partner with the Shidler College of Business.

This special event celebrates the continuing academic goals as well as personal development of the recipients. Frequently named among the nation's top business schools, the Shidler College of Business plays a crucial role in developing the future leaders of Hawai‘i.

In line with one of Enterprise Rent-A-Car’s core values of strengthening the communities in which we serve, the continuous work done at the Shidler College of Business ensures a bright future for Hawai‘i.

We also would like to thank Dean Vance Roley along with his faculty and staff that provide the support and guidance for these students.

A special mahalo to everyone here who has generously donated to the future of Hawai‘i through the Shidler College Scholarship Program and to those who have worked so hard to create this special event today.

On behalf of our entire Enterprise Rent-A-Car ‘ohana, we congratulate all the scholarship recipients and again would also like to thank all of the generous donors.

Mahalo Nui Loa,

Dan Schaberg
Vice President & General Manager- Hawai‘i
Enterprise, Alamo & National Car Rental

**Donor Speaker**

**Martin J. Welch**

Martin J. Welch is chief executive officer of Hawaii Employers’ Mutual Insurance Company (HEMIC), the largest writer of workers’ compensation insurance in the state of Hawai‘i. Welch has over 35 years of experience in the workers’ compensation and property casualty insurance industry including 25 years with Wausau Insurance Companies and six years with Employers Insurance Group (EIG), where he served as president and COO.

Welch began his career as a casualty underwriter for Wausau Insurance in their Chicago regional office, where he underwrote workers’ compensation, general liability and commercial automobile policies for a wide variety of businesses. He held various management positions throughout his career at Wausau including casualty underwriting consultant, casualty manager in San Francisco, regional casualty underwriting manager for the New England region, and several executive positions including senior vice president for National Broker Operations.

At EIG, Welch played a key role in the company’s 2007 initial public offering, and two years later directed the integration of a $200 million acquisition.

Welch currently serves on the executive advisory council for the Property Casualty Insurance Association of America, and is engaged locally with the Hawai‘i State Legislature on matters relevant to our state’s workers’ compensation system. He also serves on the board of directors for the Chamber of Commerce Hawai‘i and is chairman of the local leadership board for the Arthritis Foundation of Hawaii.

Welch received his Bachelor of Science degree in finance from the University of Illinois in 1978, earned his Chartered Property Casualty Underwriter designation in 1982, and received additional business certifications from the Tuck Management School at Dartmouth College and the Kellogg School of Management at Northwestern University.

Welch and his wife of 39 years, Jennifer, reside in Honolulu and have three grown sons.
UNDERGRADUATE & GRADUATE SPEAKERS

Nicole Oka, Undergraduate Speaker

Nicole Oka is a BBA candidate majoring in finance and international business with a minor in Japanese. She was awarded a Freeman Foundation travel scholarship and the Oscar and Rosetta Fish Scholarship for Excellence, which gave her the opportunity to study abroad at Keio University in Tokyo, Japan, in Spring 2016. She is a member of the 2013 Freshman Direct Admit Program cohort and was recognized as the Outstanding Freshman of the Year at the 2014 Shidler Business Night awards.

A proud graduate of Kamehameha Schools, Nicole is currently working on a business plan to provide financial literacy workshops to the underserved, at-risk communities in Hawai‘i. Nicole also works for Āhē Group, a Native-Hawaiian-owned private developer that focuses on developing quality, sustainable and affordable housing communities in Hawai‘i.

She has worked for First Hawaiian Bank and Wells Fargo in San Francisco in the corporate risk and compliance division. Earlier this year, Nicole backpacked solo across Southeast Asia and tackled her fear of heights by climbing Mt. Fuji by herself.

Upon graduating, Nicole plans to work in Japan and improve her Japanese language skills before returning to earn her JD from the William S. Richardson School of Law.

Christopher (Kit) Elledge, Graduate Speaker

Raised in California, Christopher “Kit” Elledge moved to Brazil after graduating high school to work for a non-profit organization as part of his two-year missionary service to his Church. Upon returning, Kit attended Brigham Young University - Hawai‘i and received his bachelor’s degree in accounting.

Soon after graduating, Kit and his wife Nathalie moved to Sweden where he helped to develop a small landscape architect business with his father-in-law. After four years abroad, both he and his wife found they missed Hawai‘i and decided to return back to Honolulu so Kit could pursue his MBA.

As a graduate student, Kit has completed internships with local accounting firms, Fukuya Hasegawa Partners and Akamine, Oyadomari & Kosaki CPAs Inc. This past summer, he interned in Japan with Tokio Marine. Kit is currently finishing his MBA with an emphasis in accounting and plans to graduate in spring 2017. This December, Kit and his wife are looking forward to the birth of their first child.
